

Dear Pat,

I have had the pleasure of working with Seroka for four years and have found them to be very responsive, creative and knowledgeable of our industry. They have committed themselves to thoroughly understanding our business and industry, our culture, how we work and what our expectations are as a company.

Our team at Seroka has proven to be very proactive in working with us and consistently meeting our deadlines...and sometimes even making sure we meet ours. Please notice that I say "team" as that is the relationship we have with them – one of strong support and unity in being committed to our success and goals as a company.

Unequivocally, I would highly recommend them to any organization that wants results and the right people with the right approach to proven success in marketing.

Sincerely,

Allen B Johnson
